If the applicant has completed another qualification or degree in English and/or has used English as the working language minimum one year and/or her/his mother tongue is English, and the applicant can show a written official certificate of this, their application can be evaluated. In these

cases the applicant will also be invited to an English language test, which is organized at the college. Applicants will receive a separate invitation to the language test.

Please note that an application cannot be processed until all the required documents, including upper secondary school certificates and transcripts as well as the English language certificate, a certificate of studies that have been completed in English or applicable work certificates have been submitted.

3. Motivation Letter and Career Plan

The applicants are requested to include a motivation letter (150-200 words) to their application. The content of this letter should describe their reasons and motivation for applying for this programme.

The motivation letter will be evaluated and points awarded based on the following: English language, convincing reasons for motivation, understanding of QBM curriculum content, capability of living in a foreign country. In addition in the end of the letter describe your future career plans after completing this programme.

Please note that applications without the Motivation Letter and Career Plan are not considered.

4. Personal interview

Selected applicants will be invited to a personal interview **based on their application and supporting documents**, including educational certificates and work certificates, motivation letter and career plan.

The final decision on the student intake will be made based on the personal interview. Kindly note that the interview is an obligatory part of the admission process and it is organised at the college.

Cost of Studies for Students in Finland

Business College Helsinki does not have scholarships available for international students and cannot offer financial assistance to students toward travel expenses, living expenses or study-related expenses in Finland. Therefore, students are required to finance and to cover these costs to the full amount themselves. Common expense items include:

- course text books
- photocopied course material
- study supplies
- study equipment
- meals
- housing
- travel – notice: foreign students are not eligible for student discount for local transport
- other general living expenses

To comply with the Finnish immigration law, international students are required to produce written proof of their ability to support themselves financially for the duration of their studies.

Health Insurance

International students must have a health insurance policy that covers the costs of their possible medical care. Health insurance is a requirement for obtaining a residence permit for studies in Finland. If you come from outside Finland it will be useful to bring along any relevant documents related to your state of health, e.g. vaccinations. This will help you when you contact any members of our medical services.

Results and Appeals

Admission decisions will be announced and written invitations to accepted students mailed on **22 November 2019**.

All applicants who participated in the personal interview will receive a written notification of his/her personal admission decision. Please note that not all applicants fulfilling the requirements can be admitted.

An applicant who disagrees with the decision can request a review and correction of his/her case. An appeal to this effect must be made in writing to REGIONAL STATE ADMINISTRATIVE AGENCY (ETELÄ-SUOMEN ALUEHALLINTOVIRASTO) within 14 days after the publication of the results. The appeal must state in detail which part(s) of the admissions procedure are requested to be reviewed and corrected, and on what basis. Results the personal interview and admissions processes cannot be altered to the detriment of students already admitted.

Written Confirmation of Study Place and Enrolment

An applicant accepted to the English programme must confirm his/her enrolment by submitting a written confirmation of accepting the offered study place to the student affairs office by **8 December 2019**.

Detailed instructions on how to confirm the study place will be sent with the acceptance letter. If the applicant fails to submit the confirmation form by the date indicated in the decision, he/she loses the offered study place.

Starting the Studies at Business College Helsinki

Studies start with orientation day on 7 January 2020. All new students should attend the orientation. In case the accepted student is not present on the orientation day and has not informed the college about their absence in advance, their place will be given to another applicant.

Please take notice that the accepted student is responsible of taking care of all the practical issues considering the start of the studies, such as, submitting an international student's residence permit application in time.

Unfortunately, we cannot help with the VISA issues.

For more information, please consult the Finnish Immigration Service (www.migri.fi).
