Admission requirements

Application requirements are

1. Good command of English - English language certificate
2. Finnish citizenship or residence permit
3. Video application

Admission points:

a) Finnish language skills	2 points
b) Video application	8 points
Total	10 points

1. English language certificate

Applicants are asked to enclose a language certificate to their application.

Please submit one of the following:

- Upper secondary education completed in Finland - Minimum requirement for English language level is grade 7 on the leaving certificate or *Lubenter Approbatur* on the Matriculation Examination certificate. Applicants applying with a Finnish vocational upper secondary certificate, the requirement for English skills is grade 2 (grading scale 1-3) or 3 (grading scale 1-5).
- IELTS Academic, level 6.0
- TOEFL PBT, 550 paper-based test
- TOEFL IBT, 79 - 80 internet-based test
- The National Certificate in English language (YKI), at level 4 Intermediate, in all parts.

Please note: IELTS and TOEFL are valid only for two years since date of issue.

In addition, upper secondary school education in English completed in United Kingdom, Ireland, the United States, Canada, Australia or New Zealand is accepted as a demonstration of sufficient English language competence.

Please note that an application cannot proceed until all the required documents, including residence permit, educational and work certificates as well as the English language certificate have been submitted. **Only apply once and attach all documents directly to the application form.**

If the applicant does not have one of the above-mentioned an English language certificate, they will be invited to an English language test, which is organized at the college. The test is mandatory. The test cannot be completed remotely. Applicants will receive a separate invitation to the language test.

2. Finnish citizenship or residence permit

Applicants must enclose a copy of Finnish passport or identity card, or a residence permit granted by the Finnish authorities to their application. Residence permit cards of other countries are not accepted. If the applicant's residence permit is in process, they must enclose a document of a pending permit application to their application. **Please note that applications without this documentation are not considered.**

3. Video application

Selected applicants will be invited to submit a video application **based on their written application and supporting documents**, including educational and English language certificates as well as residence permit.

Kindly note that video application is an obligatory part of the admission process and only applicants who have submitted the video application can be considered in the final phase of the admissions process.

4. Finnish language skills

Applicants will be awarded two admission points from Finnish language skills based on the following: Finnish as a mother tongue, Finnish as a secondary language (Finnish basic education or upper secondary certificate) or a national certificate of language proficiency in Finnish language (YKI3).

General information for applicants

The program is full-time – you cannot combine this program with full-time work or having other full-time responsibilities.

You might not be able to combine studying in the program and getting unemployment benefits. Applicants are responsible for communicating with TE-services.

Cost of studies for students in Finland

Business College Helsinki does not have scholarships available for students and cannot offer financial assistance to students toward travel expenses, living expenses or study- related expenses in Finland. Therefore, students are required to finance and to cover these costs to the full amount themselves. Common expense items include:

- photocopied course material
- study supplies
- study equipment
- possible course textbooks
- meals
- housing
- travel – notice: foreign students might not be eligible for student discount for local transport
- other general living expenses

To comply with the Finnish immigration law, international students are required to provide written proof of their ability to support themselves financially for the duration of their studies to the Finnish Immigration service.

Health insurance

International students must have a health insurance policy that covers the costs of their possible medical care. Health insurance is a requirement for obtaining a residence permit for studies in Finland. If you come from outside Finland, it will be useful to bring along any relevant documents related to your state of health, e.g. vaccinations. This will help you when you contact any members of our medical services. Further information www.migri.fi.

Results and appeals

Admission decisions will be announced and written invitations to accepted students mailed on **June 9th 2023**.

All applicants will receive a written notification of their personal admission decision. Please note that not all applicants fulfilling the requirements can be admitted.

An applicant who disagrees with the decision can request a review and correction of their case. An appeal to this effect must be made in writing to REGIONAL STATE ADMINISTRATIVE AGENCY (ETELÄ-SUOMEN ALUEHALLINTOVIRASTO) within 14 days after the publication of the results. The appeal must state in detail which part(s) of the admissions procedure are requested to be reviewed and corrected, and on what basis. Results of the video application and admissions process cannot be altered to the detriment of students already admitted.

Written confirmation of study place and enrolment

An applicant accepted to the programme must confirm their enrolment by submitting a written confirmation of accepting the offered study place to the student affairs office **by June 23rd 2023**.

Detailed instructions on how to confirm the study place will be sent with the acceptance letter. If the applicant fails to submit the confirmation form by the date indicated in the decision, he/she loses the offered study place.

Starting studies at Business College Helsinki

Studies start with orientation day on August 10th 2023. All new students must attend the orientation. In case the accepted student is not present on the orientation day and has not informed the college about their absence in advance, the place will be automatically given to another applicant.

Students must have a valid student resident permit at the start of the studies. Please be prepared to present a Finnish ID or a residence permit granted by the Finnish Immigration Services at registration.

Students cannot begin their studies before they can present a valid student residence permit.

Unfortunately, we cannot help with the VISA issues. For more information, please consult the Finnish Immigration Service (www.migri.fi)
